Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the documents which are listed on the attached PTO/SB/08 A & B (modified) form and/or listed herein and which the Examiner may deem material to patentability of the claims of the above-identified application.

One copy of each of the listed documents is submitted herewith, along with a copy of the corresponding Communication from a Foreign Patent Office, except for the following: U.S. patents and/or U.S. patent publications; and co-pending non-provisional U.S. applications filed after June 30, 2003.

The present Information Disclosure Statement is being filed after the later of three months from the application's filing date and the mailing date of the first Office Action on the merits, but before a Final Office Action, Notice of Allowance, or an action that otherwise closes prosecution in the application (whichever is earlier), and therefore Applicant is filing concurrently herewith a Statement Under 37 C.F.R. § 1.97(e). No fee under 37 C.F.R. § 1.17(p) is required.

In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicant encloses herewith a copy of a Communication from a foreign patent office in a counterpart application citing such documents, together with an English-language version of at least that portion of the Communication indicating the degree of relevance found by the foreign patent office.

Applicant notes for the Examiner's convenience that WO 03/028641 and US 2007/0037836 are English counterparts of CN 1582281. Further, that WO 93/17017, WO 00/20358, WO 01/96295, WO 02/30890, and WO 02/30891, cited in the Chinese Office Action were previously submitted with the Information Disclosure Statement filed May 4, 2007. In addition, CN-A-1610669 and CN-A-1582281, also cited in the Chinese Office Action, correspond to WO 03/053933A and WO 2004/004726A, respectively, which were also submitted with the Information Disclosure Statement filed May 4, 2007.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.
